BEFORE THE
NORTH CAROLINA MEDICAL BOARD

In re: Rashid Ali Buttar, D.O., CONSENT ORDER
Respondent.

This matter is before the North Carolina Medical Board ("Board") regarding information provided to the Board concerning Rashid Ali Buttar, D.O. ("Dr. Buttar"). Dr. Buttar makes the following admissions and the Board makes the following findings and conclusions:

STATUTORY AUTHORITY

The Board is a body duly organized under the laws of North Carolina and is the proper party to bring this proceeding under the authority granted to it in Article 1 of Chapter 90 of the North Carolina General Statutes and the rules and regulations promulgated thereto.

FINDINGS OF FACT

Dr. Buttar was first issued a license to practice medicine by the Board on or about May 20, 1995, license number 9500528.

At all times relevant hereto, Dr. Buttar practiced integrative medicine in Iredell County and Mecklenburg County, North Carolina.
PATIENT A

On January 27, 2016, the Board received a complaint from Physician A regarding a patient ("Patient A") under Dr. Buttar's care. Physician A expressed concern that the treatment being provided by Dr. Buttar to Patient A was adding to Patient A's pain and suffering and was preventing Patient A from receiving appropriate care and the possibility of successful treatment.

Patient A was first seen by Dr. Buttar on December 23, 2015 for recurrent retinoblastoma. Dr. Buttar was providing supportive therapy.

The Board sent the medical records for Patient A to an independent expert reviewer. The expert reviewer completed a fellowship in Integrative Medicine and is Board Certified in Internal Medicine. The reviewing expert concluded that the documentation of Patient A's care failed to conform to the standards of acceptable and prevailing medical practice in North Carolina. Specifically, the expert reviewer expressed concerns about the adequacy of Patient A's medical record, which were hand-written.

The Board understands that Dr. Buttar has already implemented a comprehensive electronic medical record system across his practice, including providing himself and his staff training.
PATIENT B

On November 21, 2017, the Board received a complaint from Patient B’s parent. The complaint alleged that while Patient B, a minor, was being treated by Dr. Buttar, Dr. Buttar and Patient B’s parent engaged in a personal relationship.

Dr. Buttar admits that he engaged in a third-party boundary violation.

CONCLUSIONS OF LAW

Dr. Buttar acknowledges that the documentation of care provided to Patient A, as described above, failed to conform to the standards of acceptable and prevailing medical practice, within the meaning of N.C. Gen. Stat. § 90-14(a)(6) and grounds exist under that section of the North Carolina General Statutes for the Board to annul, suspend, revoke, condition, or limit Dr. Buttar’s license to practice medicine or to deny any application he might make in the future.

Dr. Buttar acknowledges that his conduct, as described above, constitutes unprofessional conduct including, but not limited to, departure from or the failure to conform to the ethics of the profession, within the meaning of N.C. Gen. Stat. § 90-14(a)(6) and grounds exist under this section of the North Carolina General Statutes for the Board to annul, suspend, revoke, condition, or limit Dr. Buttar’s license to practice medicine or to deny any application he might make in the future.
PROCEDURAL STIPULATIONS

Dr. Buttar acknowledges and agrees that the Board has jurisdiction over him and over the subject matter of this case.

Dr. Buttar knowingly waives his right to any hearing and to any judicial review or appeal in this case.

Dr. Buttar, with the advice of legal counsel, acknowledges that he has read and understands this Consent Order and enters into it voluntarily.

Dr. Buttar desires to resolve this matter without the need for more formal proceedings.

The Board has determined that it is in the public interest to resolve this case as set forth below.

7. Upon request, Dr. Buttar shall provide the Board with any information the Board deems necessary to verify compliance with the terms and conditions of this Consent Order.

8. If Dr. Buttar fails to comply with any of the terms of this Consent Order, that failure shall constitute unprofessional conduct within the meaning of N.C. Gen. Stat. § 90-14(a)(6) and shall be grounds, after any required notice and hearing, for the
Board to annul, suspend, or revoke his license to practice medicine and to deny any application he might make in the future or then have pending for a license to practice medicine.

9. This Consent Order shall take effect immediately upon its execution by both Dr. Buttar and the Board, and it shall continue in effect until specifically ordered otherwise by the Board.

10. Dr. Buttar hereby waives any requirement under any law or rule that this Consent Order be served on him.
